

# SHARMA GAUTAM

Full-Stack Web Developer

gs3756660@gmail.com | 6377769563 | Hisar-Haryana

**GitHub** | **Linkedin** | **Portfolio**

## EDUCATION

---

**Maharaja Ganga Singh University**  
Full-time Bachelors in computer application

Bikaner,Rajasthan  
July 2022 - April 2025

## EXPERIENCE

---

**KODU-POWEREDBYDHURINA | Full-StackWebDeveloper.** Hisar-Haryana | April-2025 - June-2025

- Worked as a Full Stack Web Developer intern, gaining hands-on experience in building real-world applications.
- Built and deployed one full-fledged MERN stack project, involving MongoDB, Express.js, React.js, and Node.js. Implemented features like CRUD operations, authentication, and responsive UI.
- Developed two frontend-focused projects using React.js and Tailwind CSS, focusing on UI/UX, component-based architecture, and responsiveness.
- Collaborated with a team using Git/GitHub for version control and followed Agile practices for development.
- Strengthened skills in API integration, state management, and performance optimization.

## SKILLS

---

Programming Languages: C / C++, java, HTML, CSS, JavaScript  
Libraries/Frameworks: ReactJs, NodeJs, Tailwind CSS, ExpressJS  
Tools / Platforms: Git, Github  
Databases: MongoDB

## PROJECTS / OPEN-SOURCE

---

**STOCK-MANAGEMENT-PROJECT | Link** *React.js, Tailwind CSS ,JavaScript, MERN stack*  
A responsive MERN stack application to manage and track stock entries. Users can add, edit, delete, and search stocks with real-time investment calculations. Features include persistent data using LocalStorage, instant search/filter, and a clean UI built with Tailwind CSS.

**RECIPE-FINDER-PROJECT | Link** *React.js, Tailwind CSS ,JavaScript, LocalStorage*  
Built a responsive React.js app using Tailwind CSS to search and filter recipes by category and cuisine. Integrated TheMealDB API with features like dynamic search, filters, loading animation, and error handling.

**KODU-APP-PROJECT | Link** *React.js, Tailwind CSS ,JavaScript, LocalStorage*  
Created a responsive React.js website with Tailwind CSS featuring a clean UI, popup inquiry form, and consistent iconography using React Icons.
